

HAPAG ¹⁸/₉₁ LLOYD
CRUISES

FROM WILDERNESS TO WORLD CITIES

Discover the Great Lakes on
board our small ships.

NAUTICAL HIGHLIGHT

Rarely travelled waterways, hidden coastal towns, and spectacular lock passages: a pioneering spirit and a profound sense of freedom come together on North America's Great Lakes.

Experience extraordinary voyages aboard the HANSEATIC inspiration. Thanks to the retractable bridge wings on our expedition ships, we can even navigate the locks of the St. Lawrence Seaway – an experience reserved for only a few vessels. Join us on a journey into the world of Indian Summer and discover a cruising region that captivates with its diversity, vibrant colours, and rarity.

What makes our ships special: plenty of space for personal freedom with a maximum of 230 guests, first-class service with a guest-to-crew ratio of almost 1:1, and an atmosphere that combines comfort and expedition at the highest level. This ensures that every second becomes a lasting memory.
